WORK OPPORTUNITY: News Signer (International Sign)

H3 World TV, an international Deaf media organization, produces and streams TV programs using International Sign to a worldwide viewing audience. Our goal is to put Deaf communities everywhere on equal footing through exchange of information and sharing of cultures. Our current affairs program "WorldSign Week" reports on major news developments around the world and developments that impact Deaf Communities.

We currently have a News Signer vacancy in International Sign (IS). Signer needs to read and translate from English scripts, rehearse, memorize, and present dialogue in front of video camera in International Sign twice every week.

Tasks:

- Receive, review and rehearse scripts;
- Look up sources and internet to familiarize yourself with each story;
- Translate from English to International Sign (IS)
- Sign/Present at least four stories from each script in International Sign;
- Use own mobile camera and green chroma key background;
- Ensure good lighting, framing, and clear signing in recordings;
- Submit completed signed video files to Production Company by established deadlines.

Ability to read English, fluency in International Sign, and timely submission are critical as not to affect production, streaming quality and viewer comprehension which are on fixed schedules.

This is a freelance independent contract that pays monthly. Payment is made upon presentation of invoice each month. For more details, email opportunities@h3world.tv. To apply, send cover letter and your past experiences with IS and signing. Include any videos you may of your signing to opportunities@h3world.tv.
